Stop Losing Patients to Upfront Price Objections

High-ticket treatments (Implants, Invisalign, All-on-4, Smile Design) face 68% patient drop-off from lump-sum costs. Clinaza equips your front desk with instant paperless EMIs — patients say YES at the chair.

THE 10-SECOND FRONT-DESK REFRAME SCRIPT

❌ **TRADITIONAL DROP-OFF WAY**

"Your implant with zirconia crown is ₹55,000. How will you pay today?"

Patient: "I'll check with my family and call you back." *(Drops out forever)*

✅ **THE CLINAZA FRONT-DESK WAY**

"Your treatment is ₹55,000, or easy paperless EMIs of ~₹2,450/mo. Shall I check your 2-min digital approval?"

Patient: "₹2,450/month is comfortable. Let's start today!" *(Immediate YES)*

HOW IT WORKS: PATIENT EMI JOURNEY AT YOUR CLINIC

1. **Patient Arrives** — Treatment plan discussed with doctor
2. **EMI Offered** — Reception shows EMI via PAN + Mobile
3. **Instant Approval** — Multi-lender match in under 60 seconds
4. **Treatment Starts** — Clinic gets full payout T+1

THREE PILLARS OF COMPLETE CLINIC PROTECTION

⚡ **Full Upfront Payout (T+1)**
100% of the approved amount is disbursed to your clinic bank account within 24–48 hours. Zero waiting for monthly installments.

🛡️ **Zero Clinic Default Risk**
RBI-regulated NBFC partners take 100% borrower default risk. Your clinic is never liable for patient EMI repayments or collections.

📲 **Multi-Lender Orchestration**
Single integration routes patients to the best-fit lender (Banks + NBFCs). CC/DC holders and cardless patients both approved instantly.

4-Document Clinic Onboarding Checklist

100% Digital • Verified in 24 Hours

1. **Doctor / Clinic PAN Card**
   Entity identity & Central KYC compliance
2. **Dental Council Certificate**
   BDS/MDS degree or State Dental Council proof
3. **Bank Cancelled Cheque**
   Current / Savings account for direct payout
4. **2 Clinic Photographs**
   1 exterior signboard + 1 interior dental chair
