Stop Losing Patients to Upfront Price Objections

High-ticket treatments like Dental Implants, Invisalign, All-on-4, and Smile Makeovers face 68% patient drop-off due to lump-sum costs. Clinaza equips your front desk with instant point-of-care monthly EMIs so patients say YES immediately.

IMPLANT & ALIGNER CASE CONVERSION

THE 10-SECOND FRONT-DESK REFRAME SCRIPT

❌ THE TRADITIONAL DROP-OFF WAY

"Doctor said your single implant with zirconia crown is ₹55,000. How will you pay today?"

Patient Reaction: "I will check with my family and call you back." *(Result: Patient delays or drops out forever).*

✅ THE CLINAZA FRONT-DESK WAY

"Your total treatment is ₹55,000, or you can split it into easy paperless EMIs of ~₹2,450/month. Shall I check your 2-minute digital approval?"

Patient Reaction: "₹2,450 a month is very comfortable. Let's start the scan today!" *(Result: Immediate treatment start).*

THREE PILLARS OF COMPLETE CLINIC PROTECTION

⚡ 1. Upfront Full Payout (T+1)

100% of the approved treatment amount is disbursed straight into your clinic bank account within 24-48 hours. No waiting for monthly installments.

🛡️ 2. Zero Clinic Risk (No Khata)

RBI-regulated NBFC partners take 100% borrower default risk. Your clinic is never liable for patient repayments or debt collection.

📲 3. Multi-Lender Approval

Instant digital KYC via Account Aggregator & DigiLocker. Approves both carded patients (CC/DC) and non-carded salaried/self-employed patients.
