INSTANT FRONT-DESK PATIENT FINANCING

Turn Treatment Hesitations Into Instant Approvals

Clinaza allows dental clinics to offer instant, paperless patient EMIs directly at the front desk. Convert 30–40% more high-ticket implants, aligners, and full-mouth rehabilitations without your clinic taking any credit or default risk.

THE 4 FUNDAMENTALS EVERY DOCTOR NEEDS TO KNOW

100% Non-Recourse (Zero Clinic Risk)
Your clinic bears **zero default liability** (0% FLDG). Regulated institutional lenders handle all repayments. Clinic keeps 100% of treatment fees.

T+1 Direct Bank Disbursal
Full treatment cost is settled directly into your clinic current account on the **next business day** via licensed RBI payment gateways.

3 to 12 Months Flexible Tenures
Disciplined, short-to-medium repayment plans (**3, 6, 9, or 12 months max**). Fits patient monthly salary cycles without dragging into multi-year debt.

55+ RBI-Regulated Lending Partners
Multi-lender institutional cascade via Flexmoney (HDFC, ICICI, IDFC FIRST, TVS Credit, LazyPay, Zype) approving non-credit card holders, salaried, & self-employed.

THE CHAIRSIDE CONVERSION DIFFERENCE

Example: ₹60,000 Dental Implant + Zirconia Crown

❌ Without Clinaza (Upfront Shock)
Doctor quotes ₹60,000 upfront. Patient says: *"Doctor, let me check my finances and get back."* **Result:** Patient delays or cancels. Clinic loses ₹60,000 revenue.

✅ With Clinaza (Easy Monthly Plan)
Receptionist offers: *"You can start today for just ₹5,000/month across 12 months with instant digital approval."* **Result:** Patient agrees on the spot. Clinic receives full ₹60,000 on T+1.

HOW IT WORKS AT YOUR RECEPTION DESK (UNDER 3 MINUTES)

1. **Prescribe Plan**
Doctor finalizes clinical treatment plan & cost (₹5,000 to ₹5,00,000).

2. **Mobile & PAN**
Receptionist inputs phone & PAN; instant 2-minute paperless digital e-KYC.

3. **Instant Approval**
Patient selects 3–12 month tenure & authenticates e-NACH auto-debit on phone.

4. **Next-Day Payout**
Full treatment amount credited to clinic bank on T+1. Treatment begins!
